

Challenge

Organizations burdened with no or ineffective PMOs managing non-cohesive collections of projects coupled with process and issue management debt. **Lack of strategic alignment** and **adequate resource management** create **low stakeholder confidence** resulting in **operational losses**.

- ✘ Lack of portfolio health visibility
- ✘ Strategic misalignment
- ✘ Prioritization issues
- ✘ Budget & time overruns

Solution

FiveM's Performance Strategy Office is a turnkey managed service designed to provide enterprise-class PMO capabilities. This scalable solution provides **flexible capacity** and drives **improved delivery, governance** and **transparency**.

- ✓ **10-feature solution** providing end-to-end strategic PMO management, decreasing total cost
- ✓ Expertise **tailored** to your specific project needs and methodology with **right-sized resourcing**
- ✓ Supported with industry-leading standards (**SLAs**)

- 1 PMO Director
- 2 Strategic PMs & SMs
- 3 Flexible Capacity
- 4 ROI Measurement
- 5 PPM Tooling
- 6 Intake Management
- 7 Pipeline Management
